

Dear Vectron Customers:

Date: Dec. 5, 2008

Effective January 1, 2009, Vectron International, LLC, Mt. Holly Springs, PA is being legally consolidated under the name of Vectron International, Inc. With this consolidation all Vectron U.S. sites in Hudson, N.H, Cincinnati, OH, and Mt. Holly Springs, PA will be legally registered as a single entity, Vectron International, Inc. with the primary HQ site based in Hudson, NH. All individual manufacturing sites however will continue to remain and operate at their respective locations/addresses.

This change does not affect any products being shipped from the Mt. Holly Springs, PA site. The change is only a change to the legal company name and therefore will appear on documentation/PO's/billing paperwork going forward. Customer remittances should be addressed to Vectron International, Inc. and continue to be sent to the current address at 88090 Expedite Way, Chicago, IL 60695-0001.

Vectron will also be making changes to reflect the company name change as required in the D&B, and CCR databases and other affected sites as required.

If you have any concerns or questions concerning the above notification, please contact your Customer Service Representatives or Sales/Account Managers.

On behalf of Vectron International,

A. Mond  
Vice President Global Sales
